What's new:

Introducing the new fantasy action RPG title, Elden Ring: Tarnished Edition.

As a Tarnished Chapter, you've been traveling through the Lands Between, a world divided into seven orders, for centuries. You're a small circle of knights who specialize in the arts of forging armor and weapons. The simple life of a knight seems ideal, providing the path of honor on a green world, where danger lurks in the open plains.

But you've had a strange dream... Thousands of years earlier, you witnessed a battle on the Waking Plains, the apocalyptic battlefield where the seven orders fight to the death. Was it really a dream? And what was it really all about? You woke up believing that the burning flames of destruction were the truth. As the Tarnished Chapter, your fate is tied with the destruction of a dream. Will you stand as a sacrifice in the battle for dream or it for destruction? What is your dream?
